BOSCAWEN PUBLIC LIBRARY

Reading is to the mind
What exercise is to the body.
—Addison

The Library Trustees have held regular meetings during the year. We attended the neighborhood meeting at the Elkins Public Library in Canterbury, and the New Hampshire Library Trustees association at the Highway Hotel in Concord. These meetings were very interesting.

We have bookmobile service from the State Library every two months and the librarians borrow books from the State Library on request of the local readers.

Through the kindness of friends collections of books have been taken to the Merrimack County Farm.

The sum of fifty dollars was received from the Thornton Fund for the purchase of children's books for the branch. The Boscawen Congregational Church enrolled in the Adventures in Reading Contest and there has been a marked increase in the reading this year.

Several books have been presented to the library by the following people—Mrs. J. Harry Sanderson, Mrs. Roger Sanborn, Mrs. J. Ralph Graham, Boscawen Woman's Club, and Mr. and Mrs. Ray Kipp. The trustees wish to express their thanks and appreciation for these gifts. We also wish to extend our sincere thanks to Miss Lena Berle for the many fine books given to the Main Library from the library of the late Dr. A. A. Berle and the wonderful painting of his home in Boscawen. These gifts will be treasured by the library and the people of the town.

Panting and the necessary repairs have been done to the Main library with the Gerrish Fund money.

This fund was established for the maintenance of the main building.

We have purchased two sets of F. S. Comptons encyclopedias, also venetian blinds for the branch. Both libraries were decorated for the holidays

The main building is used for meetings of many groups interested in town affairs. It is also the office of the Selectmen and the municipal courts sessions are held there.

The library has had a successful year as shown by the increase in circulation of 1247 more books and magazines than last year. Circulations was as follows:

Adult fiction	3,858
Adult non-fiction	1,413
Juvenile fiction	3,545
Juvenile non-fiction	1,525
Magazines	933
Total	11,274

Main building	5,256
Branch	6,018

JAMES D. HOLDEN, *Justice*

WATER COMMISSIONERS REPORT

A new main was installed on Elm Street in 1961, extending from the D. W. Highway to its junction with Sweatt Street.

It is our plan this year to continue this project to the junction with Chandler Street at least, and as far west of Chandler Street as time and money permit.

We also plan to replace the last remaining section of High St., near Kenney's Garage, a distance of six or seven hundred feet.

The purchase of our new backhoe and loader has alread proved a good investment, as we have been able to do a considerable amount of custom work with it, as our report shows.

We are fast approaching the day when the precinct will have all new mains, several new hydrants and a good, dependable, modern water system.

WARRANT FOR ANNUAL MEETING OF PENACOOK & BOSCAWEN WATER PRECINCT

(L. S.)

To the Inhabitants of the Penacook and Boscawen Water Precinct qualified to vote in Precinct affairs:

You are hereby notified ot meet at Boscawen Town Hall in said Precinct on the 30th day of March next at 7:30 o'clock in the evening to vote upon the following:

1. To hear the reports of the Precinct Officers and pass any vote relating thereto.

2. To choose all necessary Precinct Officers for the ensuing year.

3. To authorize the Precinct Commissioners to borrow money in anticipation of Precinct taxes and other revenues for the year 1962 and to issue notes therefor at such rate of interest and payable at such time, within one year, and at such place as the Precinct Commissioners shall determine.

4. To see if the Precinct will vote to raise and appropriate the sum of $1,000.00 for new construction.

5. To transact such other business as may legally come before this meeting.

Given under our hands and seal this 16th day of March in the year of our Lord Nineteen Hundred and Sixty-two.

FRANCIS H. GRANT,
WALTER H. BOOTH,
NATHANIEL M. FLAGG,
Precinct Commissioners

A true copy of Warrant—Attest:

Precinct Taxes	$16,681.87	
Uncollected January 1, 1961		4,794.16
Interest	1.28	156.96
Additional Taxes Added	16.20	113.42
Total	16,702.35	5,064.54
Taxes Collected	13,377.52	4,595.81
Interest	1.28	156.96
Abatements		214.94
Total	13,378.80	4,967.71
Unpaid December 31, 1961	$ 3,323.55	$ $96.83

In addition to the above, the following are unpaid: 1959 $514.90; 1958 $276.64.

AUDITOR'S CERTIFICATE

We have made an examination of the records of the Tax Collector of the Penacook and Boscawen Water Precinct for the year ended December 31, 1961, which covers the 1961 Levy and the uncollected taxes from the 1960 Levy. The total taxes and interest collected amounted to $18,131.57. This amount was remitted to the Treasurer. None of the unpaid taxes were verified by correspondence.

AUDITOR'S CERTIFICATE

In accordance with instructions from the Commissioners, we have made an examination of the books and records of the treasurer of the Penacook and Boscawen Water Precinct for the year ended December 31, 1961, and have prepared the following statements:

Exhibit A Balance Sheet as at December 31, 1961
Schedule A-1 Detail of Funded Debt, December 31, 1961
Exhibit B Statement of Receipts and Disbursements—For the Year Ended December 31, 1961

We have examined all checks issued by the Precinct during the year. We have also made an extensive check of all vouchers.

All recorded cash receipts were traced to the bank statement. In addition, we abstracted a list of the unpaid water rents as at December 31, 1961.

The Statement of Receipts and Disbursements correctly reflects the receipts and disbursements for the year ended December 31, 1961.

The Balance Sheet, Exhibit A, shows the Assets and Liabilities as at December 31, 1961, in accordance with the Public Utilities Commission classification of Accounts.

REPORT OF MUCH-I-DO HOSE COMPANY

Bell Alarms	20
Still Alarm	1
False Alarm	1

ARTHUR E. BARTLETT,
Fire Chief

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

1961 Fire Record

Number of fires	0
Number of acres burned	0
Number of permits issued	272

ARTHUR E. BARTLETT,
Forest Fire Warden

GERALD H. HIGHT,
District Fire Chief

REPORT OF CIVIL DEFENSE

Vast changes in the structure of the Civilian Defense organization were made in the past year at the Federal and State level. At the Federal level, the responsibility for civilian preparedness was transferred to the Department of Defense, where it takes on equal importance with military preparedness. The office of Emergency Planning was formed, serving directly under the President, and responsible for coordinating all activities. Under the new program most emphasis is being given the National Shelter Program whereby shelter spaces will be provided for all Americans by 1967. Equal emphasis is being given to the National Warning system. The Agriculture Department has responsibility of creating an effective food stockpile and for increased research in problems concerning Strontium 90.

The new official justification for an effective Civil Defense, is that it is not necessarily a deterrent to war, but is insurance in case of accident or miscalculation. I can think of many other justifications, at least on the local level.

At the State level, the Adjutant General's Department now has responsibility for Civil Defense. Former Director, Admiral C. A. Brinkman, resigned January 1, and General McSwiney has assumed these duties. He has added full time radiological and radio technicians. Now in process is the hiring of an Operation's officer, a shelter engineer and two field representatives. Mr. E. George Moses, former Operations officer, has been promoted to Deputy Director. The increased staff should mean increased benefits to the people of the state in regard to the problems confronting them in this field.

These increased efforts have raised a great hue and cry from the traditional minority groups. Controversy

has been the order of the day. Great moral issues have been raised. We don't intend to get involved in this controversy except to say that we believe most of the confusion is based on misinformation, misinterpretion, a lack of objectiveness, and a profound lack of patriotism.

It must be remembered that Federal and State laws provide for Civil Defense organizations. It is the obligation of elected officials of political subdivisions to enforce these laws. Most officials do this by appointing a Civil Defense Director who can be removed with or without cause. He in turn organizes and proposes programs of action. It is very clear, then, that the responsibility still does, and always will lie with the elected official. Because of the way the law is written, the responsibility can be transferred to the Director only temporarily. The people will always hold the elected official accountable. I feel that some municipalities are flouting these laws and their responsibilities.

In Boscawen we don't have these problems. Due to the wisdom of the Selectment, Budget committee and the voters, we have a sound Civil Defense program. This program may not be the alternate of what we eventually desire but we have made steady progress in the last four years. Our progress is limited by the time the volunteers can devote to it and by the amount of money alloted to us. In both we have been fortunate. The program has not cost very much. Every penny spent has been justified. The program has actually saved the town money, in many respects, over and above the amount spent. But more important we are elvolving a program of emergency action that we hope will be able to cope with all situations. This alone is worth twice what has been spent. I am not gong to outline a plan for emergency action in this report. We hope to be able to distribute such a plan in

pamphlet form during the year ahead. However, certain things should be mentioned.

We now have four complete radiological sets in Boscawen. One is a training set. The other three are monitoring sets located at the Torrent Fire Station, the Plains library and the Vernon Silver home. This equipment will enable us to measure the level of radioactivity in the air or on clothing, or in food and water. Each station has a radio connection with the control center. A Federal inspector recently paid us a surprise visit to inspect these facilities and found them in A-1 condition.

The communications facilities are becoming more and more appreciated every day. We added a mobile radio on the local government frequency. We also added a remote control unit from the forestry base radio to the Norris Nursing Home where it is in twenty-four hour service. This could prove to be of tremendous value to the fire department. Mr. and Mrs. Walles and their staff at the nursing home deserve our thanks for being willing to handle this extra chore.

We held a mass feeding training course last spring and the last session was devoted to serving a free meal to about one hundred people, from our emergency feeding equipment. We have an equipped feeding trailer and we are continually adding to this equipment.

The school evacuation plan is still in effect, whereby the school children will be evacuated to their homes, from the Main Street School and Boscawen students from the Immaculate Conception school in Penacook if disaster should strike during school hours.

We participated in the Federal Civil Defense Alert last April with all units reporting. All equipment worked efficiently. The C. D. Auxiliary Police reported in force and did a splendid job, conducting them-

selves in a commendable manner. That same evening we held a surprise drill testing the resources of our local volunteers, the area 6 staff, and the Penacook Rescue Squad. Thanks to Mr. Lrwrence Beede, the makeup artist for the occasion, it was a very realistic and successful venture. For our efforts we received photographic coverage in the September issue of "N. H. Profiles". Those who missed this occasion as spectators, will wait a long time to witness anything like it again. Our official thanks is etxended to Miss Janet Blackmer, Mr. and Mrs. Roland Bartlett and Mr. David Goodwin for acting so well the part of simulated casualties.

Mr. and Mrs. Robert Knowlton and Mr. and Mrs. Kenneth Marshall attend the testimonial for Admiral C. A. Brinkman, former State Civil Defense Director, held in Concord in December. Admiral Brinkman served for many years against almost impossible opposition, trying to organize an effective program in New Hampshire.

Equipment acquired through the surplus property program includes a 30 k. w. generator installed at the Torrent Fire Station. This generator is capable of providing power for the total needs of the station house and in an emergency we could supply power for the two local service stations and the Masonic Hall.

We acquired a rubbish disposal truck which has already proved to be a valuable piece of equipment.

We acquired a powerful siren for alert purposes, and other miscellaneous equipment. Total cost to the town for these items was $604.45. Government value as listed is $14,261.95.

We hope to perfect a new system of alert warning that will eliminate the need for counting signals. This may be ready for the Federal Alert in the spring.

We will soon be offering a training course, for Civil Defense volunteers, in "Basic Lifesaving Techniques In Emergency".

Some time in the near future, the U. S. Dept. of Health & Welfare, the Surgeon General, the American Medical Association and the N. H. Medical society will offer to people across the country, as well as Boscawen residents, a course in "Medical Self Help". The objective of the course is to teach one member of every family, the medical techniques used by our grandparents. I have seen the outline and it is the most tremendous thing of its kind I have ever seen. It will be sponsored by the N. H. Civil Defense Agency and Civil Defense organizations in the various towns. The success of this program will depend on whether people care enough about their own well being and safety under all circumstances to forego or postpone other engagements or meetings in order to participate in this tremendous nationwide effort.

We have nearly one hundred people signed up in the various branches of the organization but we need many, many more. We have specific openings now in the Auxiliary Police, Communications, and Radiological monitoring. If interested in devoting a few hours per year to a very worthwhile cause, please contact us soon.

There are several occasions under which the local Civil Defense forces will be activated. These should be outlined.

1. National disaster from military attack.
2. Natural disaster whereby the Governor declares a Civil Defense emergency.
3. Natural disaster whereby local forces will be authorized to work with and under supervision of the American Red Cross.

4. Localized emergencies whereby the State Director authorizes activation of local forces.

5. Crash of military aircraft within geographic limits of Boscawen.

In conclusion, I would like to express my appreciation to the many people who worked with me during the past year in developing our present program. I hope that this spirit of cooperation will continue for many years to come and that we will never have to use the plans that have been developed.

Respectfully submitted,

KENNETH R. MARSHALL,
Director

SCHOOL DIRECTORY

School Board

Mrs. Iyla L. Bartlett, *Chr.*	Term expires March 1962

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Boscawen, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the New Auditorium of the Main Street School in said district on the 31st day of March 1962, at 7:30 o'clock in the afternoon, to act upon the following subjects.

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against such appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance

between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to raise and appropriate a sum not to exceed nine thousand dollars ($9,000) to be added to the amount appropriated for 1961-62 to meet the liability of the district for the payment of high school tuition and/or the balance of teachers' salaries and to authorize the selectmen to pay over this amount to the school board prior to June 30, 1962.

10. To see if the district will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation not to exceed one hundred dollars ($100.) to cover the expense of such audit.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Boscawen this 23rd day of February, 1962.

IYLA L. BARTLETT,
RICHARD G. SWEATT,
DAVID McKERLEY,
Boscawen School Board

A true copy of Warrant—Attest:

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the School District of Boscawen of which the above is a true summary for the fiscal year ending June 30, 1961 and find them correct in all respects.

CHARLES L. BROWN, Jr.
MATTIE L. REARDON

July 17, 1961

SUMMARY OF SUPERINTENDENT'S SALARY
1960-1961
SUPERVISORRY UNION NO. 46

The Superintendent's salary of $8,050 is paid in part by assessments against the seven districts in the union, which are prorated as follows:

Andover	$ 705.20
Boscawen	825.60
Chichester	356.90
Loudon	511.70
Penacook	1,513.60
Salisbury	206.40
Wilmot	180.60
	$4,300.00

These payments are made by the districts directly through the Supervisory Union office.

The remaining $3,750 is paid by the State from the fund established by the per capita tax of $2.00 for each resident pupil. Boscawen's per capita assessment for 1960-1961 was $788.

ROLL OF PERFECT ATTENDANCE

Pupils not absent, tardy or dismissed for the school year ending June 30, 1961

Main Street School

SCHOOL CALENDAR FOR 1962-1963

Total Sessions 370
185 days

Schools open	Wednesday, September 5, 1962
Schools close	Wednesday, November 21
Schools reopen	Monday, November 26
Schools close	Friday, December 21
Schools reopen	Wednesday, January 2, 1963
Schools close	Friday, February 15
Schools reopen	Monday, February 25
Schools close	Friday, April 19
Schools reopen	Monday, April 29
Schools close	June 21, 1963

DAYS OUT

October 12	Columbus Day*
26	NHEA Convention
November 22-23	Thanksgiving
April 12	Good Friday*
May 30	Memorial Day

* Local School Board option

This calendar provides for 185 school days. Only full school days are scheduled. It is mandatory that all schools comlete 180 full days of instruction. Graduations are to be after the completion of the 180 days.

This is in accordance with policy of the State Board of Education effective September 1, 1962.

THE "NO SCHOOL" SIGNAL

Two blasts of the fire alarm given three times (2-2-2), and the same number of blasts of the siren on Torrent Hose House is the signal for closing school for one session. Its meaning depends upon the time of sounding.

When sounded at 7:30 in the morning, ALL SCHOOLS in Penacook and Boscawen will be closed for the forenoon session.

When sounded at 11:45, ALL SCHOOLS will be closed for the afternoon session.

Announcement will be made over radio station WKXL at 7:15 and on subsequent announcements of the station.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools:

I submit my fourth annual report as school nurse in the Boscawen District.

The T. B. "Patch tests" were done on October 17, 1961 in grades one and seven with Miss Constance Martin, R. N., staff nurse from the Concord tuberculosis office. We applied 63 patches and found no positive reactors this year.

Physical exams were done by Dr. Paul S. Shaw and Dr. J. K. McLeod. Following the plan of the larger schools of doing the exam every third year and spending more time on each child, grades one, four, and seven were seen by the school doctors.

The dental clinic provided for by the Thornton Fund) is currently underway and 20 children are being examined, having their teeth cleaned and fillings done where necessary. The Fund also bought toothbrushes to be given to these children as their dental work was completed. Three of last year's students "graduated" and are no longer eligible for the dental program. Another allocation has just been made to provide for an additional number of children to start receiving this free service. Many of the students have just completed their fourth successive year at the dental clinic and the results are most encouraging.

The Thornton Fund is buying the combined Penacook-Boscawen Districts a Bausch and Lomb Vision Tester. It is expected to be delivered this month. Every child will have an individual eye exam — this is done yearly.

Miss Annette Eveleth, Director of School Health Services held a winter conference at the Highway Hotel

for N. H. School Nurse-Teachers in January. An informative talk (with slides) was given by Dr. Waters of Laconia on heart testing studies. We heard the heart recordings on tape.

There was also a panel discussion of the status of the school nurse and what possibilities there might be to elevate her position to the professional level to which she belongs.

Your school board is aware of this situation and has made consistant progress since I became your school nurse. One example is the health room in the new school addition. It would be my privilege to show it to you parents.

The following are activities from September, 1961 through February, 1962:—

Physical exams (assists)	105
Vision tests	Awaiting new vision tester
Dental exams (by doctor)	105
Transported home	8
Transported to doctor or dentist	8
Accidents (minor)	2
Home calls	16

COMMUNICABLE DISEASES

Mumps	3	
Measles	2	
Chicken pox	30	(reported)
Impetigo	2	
Infectious Hepatitis	1	

CLINICS AND REFERRALS

Polio Vaccinations	239	(with Penacook)
Triple toxoid shots	37	
Smallpox Vaccinations	17	
Child Guidance Clinic	2	
Speech Therapy	1	
Dental Clinic	20	(more to be added)

I enjoyed working with your Boscawen children and, after four years, have gotten to know them as individuals. As such, I am interested in them academically as well as physically.

Thank you for your keen interest and your continued support in all my undertakings. It has been my pleasure to work with you for the past four years.

Respectfully submitted,

MARJORIE B. JOHNS, R. N.
School Nurse-Teacher

ATTENDANCE TABLE FOR THE SCHOOL YEAR ENDING JUNE 30, 1961

REPORT OF THE SUPERVISOR OF MUSIC

To the Superintendent of Schools:

New music books were purchased for the second, fifth, and sixth grades. These books have many educational advantages that the older music books do not have. They offer songs that the children enjoy singing, as well as giving instruction in rhythm acccompaniment and the fundamentals of music theory. Each grade that has the new books also has a record album to accompany the book. These records are instructive, pleasant to hear, and add much to the music program.

The glee club, which is composed of selected voices from the sixth, seventh, and eighth grades has continued to show progress. There are over forty voices in this group. They sponsored a successful magazine drive this year and did a fine job in raising funds for the furtherance of the glee club's needs.

Recordings have been used much more this school year than before. Each class has their individual records to accompany their music books except for the seventh and eighth grades. The junior high unit has used many records provided by their teachers and have spent more time in the study of composers and the origin of American music.

A spring program was presented by the first, second, and third grades for the parents. It was well attended and received.

The fourth and fifth grades also had a spring program and accompanied their singing with song flutes, rhythm instruments, and folk dances.

The sixth, seventh, and eighth graders gave a program at the dinner sponsored by the Mothers Club of

Boscawen. The glee club sang several numbers accompanied by the rhythm group.

The cooperation of the teachers in the music activities has always been excellent. I feel that much progress has been made in the past year with the general music of the school and the specialized music of the glee club.

Respectfully submitted,

LEA FOWLER
Supervisor of Music

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Boscawen:

In submitting to you my last school report I may be somewhat more personal than usual. This is because I am pleased with the changes in Boscawen's school situation. I am glad to say that some of my plans and desires about your educational needs have been brought to fulfillment. This is indeed a source of personal satisfaction to me.

I realize that you, the people, have made this possible. Your work and support of our plans and proposals have given your community a fine new six-room addition and a beautiful cafeteria and auditorium. For this you deserve commendation.

As school board members you have discharged your responsibilities with honor to yourselves. Both you and the citizens in general have improved your town by giving it better school facilities for your children. Citizens, I hope you will continue to elect as school board members people who have interest in education and who will serve as leaders in directing its improvement.

I should like now to bring to your attention some other matters which ought to be given consideration.

The Main Street School porch needs immediate attention. The floor is broken and must be replaced. In fact, if the porch could be replaced or a new entrance made, it would improve the school's appearance.

The school grounds need to be graded. Old trees have been taken down. Some work should be done on

this project this summer. Whatever playground equipment that is worth saving from the Plains School should be brought down and installed.

The new building addition calls for extra work by the custodian. The tile floors need a different type of care than wooden floors. More rooms mean more work for Mr. Brisbane who, by the way, is a very conscientious janitor. He takes pride in his work and in keeping the building clean.

Next year because of large enrollment in grade one there must be two second grade teachers. Your first grade division into two units must continue also. The other grades can do all right as they are now, although some of the teachers will have a heavy pupil load.

The budget contains money for this extra teacher as well as reasonable raises for all the personnel.

The staff is very satisfactory and it is hoped you will have no loss of present teachers.

There are two articles in the warrant that need consideration. One calls for an audit of the school district's accounts by Municipal Auditors of the State Tax Commission. This is, I believe, a necessary audit, since with a Bond Issue on your books, a complete picture of the financial status of the school district's funds is absolutely necessary. Records of such importance could then become available in the school's annual report to the people.

The other article calls for a deficiency appropriation to meet the expenses of this year. A budget cut of $6750, voted at the last annual school meeting, plus the fact that the district lost some $2,500.00 of anticipated income from schoolhouse sales, and that $500.00 less foundation aid was received from the State, makes this request necessary. Without it you will not be able to

meet your tuition payments and teachers salaries for this year.

In closing I want to say how much pleasure I have had in working with you over the years. Your support, advice, and efforts have aided me greatly in my work. The loyal support of the teachers has been most appreciated. I hope for you all an ever-improving school program.

Respectfully yours,

WILLIAM B. HOUNSELL,
Superintendent of Schools
